Upon successful completion of this course each participant will qualify as a ***Leave No Trace Master Educator*** and will be able to:

- Conduct Leave No Trace and Outdoor Ethics Awareness Workshops and Trainer Courses

- Serve as trainers to the youth in a troop and be better qualified and better prepared to support those in a troop known as an “Outdoor Ethics Guide.”

- Serve as a qualified Merit Badge Counselor for one of the ever increasing list of merit badges that include Leave No Trace as one of the requirements.

- Lead discussions on outdoor ethics, and help others explore and possibly help guide them toward raising their own personal outdoor ethical standards.

## **The Value of the Leave No Trace Master Educator Course**

Leave No Trace is an educational organization endorsed by the Army Core of Engineers, National Parks Service, United States Forest Service, Bureau of Land Management, Fish and Wildlife Service, and the BSA.

The Leave No Trace Master Educator Course is a vital component of the worldwide Leave No Trace program, and the BSA program. It is a seven day version of the Leave No Trace Trainer Course. Participants receive in-depth, hands on training in Leave No Trace skills and ethics in an outdoor field environment. The Master Educator Course assists the participants in learning more about the seven principles of Leave No Trace and techniques for teaching and using these skills in both the back country and front country.

Leave No Trace, along with the Outdoor Code, Tread Lightly!, and the Land Ethic comprise BSA’s Outdoor Ethics program.
