Description of Course: This is a **BSA Leave No Trace Master Educator Trainers Course**. This course is a two weekend version of a **five-day course** that trains passionate individuals to serve as Leave No Trace Master Educators. Master Educators work with their council's outdoor ethics advocates to provide Leave No Trace Trainer, BSA Leave No Trace 101, and outdoor ethics awareness courses. Each BSA Master Educator course is taught by a set of nationally designated Master Educator Instructors, so your Master Educator standing is recognized nationally by the BSA's partner, the Leave No Trace Center for Outdoor Ethics and other agencies.
